In an effort to cut advertising expenses, our board has decided this will be the last year we mail information about our events. We greatly appreciate all of you who have been dedicated followers of Mid-Ohio Mopars! In light of that, over the past 29 years our mailing list has grown to well over 1,200 names. With postage rates continually increasing, this has become quite a large part of our advertising budget. Therefore, we respectfully request that you send us your email so we can get information to you in the future.

We realize there are some who do not use email and we will be happy to mail information to you. Please provide your current mailing address. We also realize there may be some of you who no longer wish to receive our event information and, if this is the case, please complete this form and return to us or email us at [midohiomopars3@gmail.com](mailto:midohiomopars3@gmail.com) requesting to be removed from our list. If we do not hear from you we will assume you are no longer interested and your name will be removed. Thanks again for all your support throughout the years!
